

Wedge Oak Farm

2023 Meat, Sausage and Egg CSA

www.wedgeoakfarm.com

Community Supported Agriculture or CSA is a method of shopping that allows members to have a seasonal commitment from our local farm. You purchase locally grown meat and eggs in advance and pick up monthly at an agreed upon location. It allows the farm to plan in advance knowing our products are sold, and offering income towards our basic operating costs and seasonal business too. We value your purchasing power and are pleased that you shop with us.

Wedge Oak Farm is excited to offer several Meat and Egg CSA options for 2023. We know there is an option that suits your needs. We are a fourth generation farm as well as a State of Tennessee recognized Century Farm in Lebanon, Tennessee producing pasture loving, humanely raised livestock. Chickens, ducks, turkeys, pigs, grass fed beef cattle annually roam the cedar glades and green pastures. Duck and chicken eggs are available from our four flocks and we care for our breeding herd of pure Mangalitsa and crosses of heritage breed pigs. Please visit our website, Instagram and Facebook for loads of farming and butchery photos.

In 2014, we became permitted with the State of Tennessee to butcher our own livestock and make small batch, hand made sausages using our meats, fresh herbs and seasonings. We do not use any nitrates or preservatives in our sausages and each recipe is formulated by our chef and the tasting team. With over 25 recipes, we think there are several types for every palate! Breakfast, lunch, and dinner.

CSA Membership Options: a

FULL Share, HALF Share, "Chicken ONLY" Share and Artisan Sausage Share.

*The FULL and HALF shares contain chicken, pork, beef, or duck as available from the farm.

The Quantity is determined by your share size.

*The Artisan Sausage Option gives you five packs of link or breakfast sausage a month to enjoy.

What an easy delicious breakfast, dinner or weekend lunch!

We also offer "**ADD ONS**":

Pasture Raised Hen Eggs, Applewood Smoked Bacon and Breakfast Sausages.

Let us know if you have any questions.
